

The Student Section and NSW Section Present:

Short-term Psychodynamic Psychotherapy with Dr. Henry Luiker

Dr. Henry Luiker has over 30 years' experience as a clinical psychologist. Currently based in Sydney, he is co-director of Parks Clinic, administrator of general dynamics Sydney, convenor of the Sydney Intensive Short-Term Dynamic Psychotherapy Study Group, foundation director of the Eastern Sydney Allied Health Network, leader of a Balint group for psychologists, and facilitator of the Australian Psychological Society Peer Consultation Groups Network for NSW.

Join us for an introduction to short-term psychodynamic psychotherapy followed by a chance to discuss the approach and meet other clinical psychology students and professionals from Sydney and surrounding areas.

When: 6:30 - 8:30pm, Friday 17th July, 2015

Where: UTS Lecture Theatre,
Level 2 - Building 7
67 Thomas Street, Ultimo NSW

Followed by: 'Networking' at Penny Lane Bar

Attendance is free of charge for ACPA members and all clinical psychology post-graduate students

Register your attendance by emailing students@acpa.org.au
